2022-2023 WX NORTH STAKE YOUTH COMMITTEE

Testimonies of The Book of Mormon

This summer as a committee we were challenged to read the Book of Mormon, and I can honestly say that it has changed my life. Even on the days where I didn't feel motivated to

read, I did it anyways, and it made my days so much better. Reading the Book of Mormon, saying regular prayers, and having a firm testimony of Jesus Christ has made me see more good in the world, and made me realize that even on the rough days, those simple acts can help clear your mind and make your day more spiritual, and I say these things in the name of Jesus Christ, amen.

RYKER JONES 2nd WARD

I had an amazing time at the last year's youth conference. It is our goal to make it even better this year. That is why I encourage all of you to read the Book of Mormon, to get better at reading it so that you can find the joy I did while reading.

ANDIE POLSTER

The Book of Mormon contains the answers to life's most compelling questions. Reading the Book of Mormon has given me blessings that have helped me tremendously. This book

provides the fullest and most authoritative understanding of the Atonement of Jesus Christ. I want to testify the full power of Jesus Christ is found in the Book of Mormon, the Book of Mormon IS the word of God. I say these things in the name of Jesus Christ, amen

ISAAC GOTSCH 3rd WARD

This last summer I was asked to read the entire Book of Mormon, mix that with FSY and I thought I wasn't going to have a good school break... I was so wrong. I thought I knew mostly everything about the first vision and everything about The Book of Mormon, but I can safely say over these past few months I've not only learned a lot but have grown a lot as a person too.

ILIKEA CROCKETT 6th WARD

This summer I was challenged to read the Book of Mormon. When I first started reading I was having a hard time understanding and knowing what was going on. I was struggling and

didn't know what to do, so I decided to pray to see what I could do to better understand the Book of Mormon. I got the answer to just keep not only read but also stud the Book of Mormon and to stay with it. I decided to try and do these things. As I did them I wasn't able to understand everything I read, but I was able to learn things and build my testimony. I know that reading will do the same for you and more and I say these things in the name of Jesus Christ amen.

SETH PRESTON 6th WARD

I know that as you prayerfully study and ponder the Book of Mormon you will be blessed and receive a confirmation that it is true. If you have any questions you can pray to receive answers and I know that you will receive them. I personally testify that reading the Book of Mormon every day can make you happier and strengthen your testimony.

ASHLYN WEIGHT

This summer I was challenged to read the Book of Mormon, though I didn't read the whole thing it definitely taught me a lot of things, it taught me to be resilient and to work

hard, also that sometimes you need to make difficult choices. But I promise those difficult choices will benefit you in the end. I want to challenge everyone reading this to read the Book of Mormon. I also want to challenge all of you to go to youth conference, it is going to be so much fun!

MICHAEL MORRIS 8th BRANCH

At fsy I first thought it was just going to be a week of nothing but boring learning, I was wrong. At fsy we had a lot of fun while learning about the scriptures and there were a lot of times that we felt the spirit. They told us that we can feel the spirit anytime when you read the book of Mormon. The book of Mormon is a gateway to feeling the spirit during a hard time, or whenever you need it.

LINSEY VONNIEDERHAUSERN 9th WARD

I would like to bare my testimony about the book of Mormon. I know that the book of Mormon is true and is the word of God. This summer I had a goal to finish the book of Mormon

by the end of the summer. While I was reading the book of Mormon I got lots of feelings that the book of Mormon is true. I know that God was always with me and helped me finish the book of Mormon. I am so grateful for the book of Mormon and how it blesses my life. In the name of Jesus Christ amen.

KYLER ANDERSON

I was challenged to read the whole Book of Mormon. It was a challenge to keep on track, but in the end it was worth it. In the end, I felt like the days that I forgot to read, I felt like I hadn't been feeling as good as I felt on the days I read. By reading The Book of Mormon, I have felt my life has improved and you will see yours improve too. I say these things in the name of Jesus Christ, amen.

SOPHIE GARAYCOCHEA 12th WARD

I know there is an afterlife and that if we feast upon the words of Christ and do good in the world, we will be with him and our loved ones again.

JACKSON BODILY 12th WARD

I believe that what we are learning about in the gospel is true and we have all choose the right path to follow. I believe that Jesus died on the cross for all of us and that he truly knows who we are all individually and love us. I know that Joseph smith restored the gospel to this earth for all of us. Without him we wouldn't be where we are right now. I believe that Russel M. Nelson is a true prophet and he is the only person in the world that can receive revolution from god. He knows what we need and he knows how to help us all.

ALI SULIVAN 13th WARD

I know most of you don't want to read The Book of Mormon. I personally didn't want to either. For the majority of the time I did, I fell behind, and only read when I didn't have "better"

things to do. However, looking back, I was in a much worse place mentally when I started working on it. My friends and I had a lot of problems. I started feeling really low and didn't know how to spend my time. I've found that I'm happier and so much more confident in myself. I testify that you will be able to feel so much happier and witness the positive impact in your life. In the name of Jesus Christ, amen.

JACOB PETERSON 13th WARD

I know that if you take the time to read the Book of Mormon your life will be blessed with happiness and truth.

From the Stake Presidency

"As a stake presidency, we challenge you to read and study The Book of Mormon from November 1st-May 31st in preparation for Youth Conference next year. We promise you peace and understanding as you read and study. We promise that as you read, you will feel a difference in your life. We are looking forward to youth conference and learning and experiencing The Book of Mormon together this year." President Hawley
