Family Promise Salt Lake

Faith communities throughout the area provide resources for families facing homelessness. With the support of the community, we help children and families build long-term stability. Family Promise Salt Lake and their dedicated volunteers have been helping families in the Salt Lake area for decades. Faith congregations throughout our community help us feed, house, and serve families and children experiencing homelessness. With your support, we can make a lasting impact on our community and continue to serve those who need it most.
